

TIPS FOR CONSULTATION

When talking to your doctor, be sure to ask any questions you have – no matter how minor they may seem. The following questions can be used as a guide, but feel free to ask any other questions.

SAMPLE QUESTIONS

- + How long have you been practising as an aesthetic specialist?
- + How much experience do you have in performing this treatment?
- + Which of the products in the Restylane® family is most appropriate for me?
- + What is the difference between the Restylane® family of products and Restylane® Skinboosters™? Can I receive both?
- + What should I do to prepare for treatment?
- + What can you do to make me more comfortable during my treatment?
- + How long will the treatment take?
- + What care is recommended after treatment?
- + How is Restylane® Skinboosters™ administered?
- + How much downtime will there be after I receive the treatment (e.g., time away from work, activities, etc.)?
- + When should I schedule my follow-up appointment?
- + What are the most common side effects?
- + When can I expect to see results?
- + What can I do to maintain my results?
- + Are there any important safety considerations that I should be aware of?
